

www.maanz.org Compiled by Kathryn Portelli Sep 2013

START - Flinders St Station 3km+ walk – 1.5 to 2hrs

Walk along Princes Bridge, over the Yarra River. Under the Arts Centre Spire on the concrete steps on the original site of the Olympia building is **a1 The Greatest Show on Earth - 1998** glass and smalti.

1907-53 Olympia building site of Wirth Brothers' Circus (1881 – 1963).

Continue to the **National Gallery Victoria (free entry)** and out to the rear **Grimwade Gardens on ground level**

a2 Grand Parade with Red Background – 1985, designed in 1953

red and black smalti, white marble

U turn back along St Kilda Road, taking the steps down to the Southbank Promenade along the Yarra River. Opposite Southbank Plaza entrance is

a3 Ophelia – 1996 ceramic sculpture, at one time named the 'Face of Melbourne' by Tourism Victoria.

Continue to just before Old Sandridge Rail bridge (1853-1987).

a4 World Within, World Without - 2010 – smalti, slate, granite Memorial to the Forgotten Children – 1,000 inlaid wattle blossoms into Castlemaine slate & SA granite - the arrangement based on the constellation above Victoria on 16 Nov 2009 when Prime Minister Kevin Rudd made his National Apology to the Forgotten Australians. 1 wattle for every 100 children in care over 100 years.

Further along on both sides of Queensbridge Square are

a5 Pebble Planters – 2006 Flat Moon River pebbles, slate, glass

Cross Queensbridge St at the pedestrian crossing, continue along Yarra Promenade to the next two sites.

a6 Guardians - 1997 painted/ moulded ceramic, carved marble, bluestone

a7 Baci Red Lips - 2011 Bisazza Romano by master installer

Continue along under the King's Way overpass to

a8 Cervo Café - 1994 Romano glass exterior wall dividers and inside Bisazza pillar by Black Milk Design.

U turn back under overpass and cross at a pedestrian bridge across Yarra River to CBD (3kms total)

OR EXTENDED WALK (2kms round trip)

Walk through Crown Casino to rear exit (or back to Guardians and around the building) to intersection of Queensbridge St and Power St. Southbank Towers (with the red base) is diagonally opposite. In the entrance foyer is **a9 Infinity - 1996** 2 ceramic tile and china sculptures

Continue along Power St to City Road lights, turn right. On LHS are **a10&a11 Southbank & City Icons - 2004** – 2 vitreous glass entrances

Back to Power St, right at lights, right at Kavanagh St. On RHS are

a12 Tall Timber – 2004 vitreous glass and bluestone

U turn & left into Power St. Right into City Road, left around BMW.

Right into Riverside Quay at lights. On the front of Eureka Tower is

The Queen Bee - Eureka Tower - not mosaic, but anodised aluminium.

Richard Stringer 2007 (The glass bottomed Skydeck88 viewing platform is the tallest in the southern hemisphere. Access from 10am until 9.30pm).

Left through the park across the road to Southbank.

Take the pedestrian bridge across Yarra River to Flinders St Station.

Connect with **2 Central Flinders, 4 Fed Square Flinders OR take the**

free clockwise CITY CIRCLE TRAM to 3 Docklands Southern Cross

OR the anticlockwise CITY CIRCLE TRAM to 5 St Patrick's Parliament

Alight at the corner of Spencer Street, walk left to Crowne Plaza.
